We All Agree

There is a talent problem and something needs to be done

SOLVING OUR CYBERSECURITY TALENT SHORTAGE

A Seminar in Four Parts

- **The Why: The DEI Dividend**
- **The How: Recruiting and Retaining a Diverse Talent Pool**
- **The Who: Is This Responsibility Yours, Mine or Ours?**
- **Cybersecurity's Dirty Little Secret & Talent Grenade: Burnout**

Seminar Logistics

- This is a four-hour seminar – all the pieces are needed to get the full benefit
- If we don't get to questions during the sessions there will be time at the break
- All the slides will be made available on the Conference website
- There are a lot of sessions throughout this conference with related content that will augment what you hear this morning.
- Right before the last session we will announce the release of the Insights Paper and share how to obtain your digital copy.

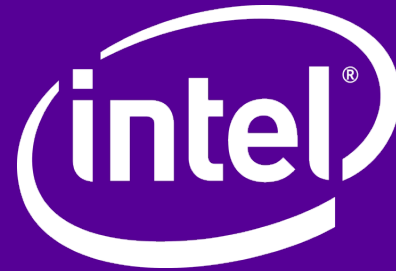

RSAConference2019

What's this all about?

**The Power of Inclusion, Diversity and Equity in Cybersecurity
to Solve our Talent Shortage**

RSA®Conference2019

**Thank you to our sponsors and allies
who made this seminar possible**
