

# Secureworks® Taegis™ ManagedXDR

## Scale Your Security Operations with a 24x7 Threat Detection and Response Unit

Secureworks Taegis ManagedXDR is our 24x7 managed detection and response service, which works for you to detect advanced threats and take the right action. Our threat hunting and incident response capabilities help you scale your security operations as we take threat data collected across thousands of customers to improve your security posture.

### Featured resources:

#### Secureworks Cited as a Leader in The Forrester Wave™: Managed Detection and Response, Q1 2021

Secureworks is cited as a Leader for its ManagedXDR solution in the MDR market. The report noted, "Buyers with existing MSS relationships that want to begin the conversion to MDR, as well as those soured by the traditional MSSP delivery approach should consider Secureworks' version of MDR as a fresh alternative."
