The Idea....

- Due to extraordinary world circumstances, let's expand the SANS Pen Test HackFest Summit into a free event
-And add a Cyber Range and CTF track as part of the summit
-And offer some world-class range experiences to attendees
-And hold a Global Cyber Range Competition
 - With a qualifier round
 - And finals at the event
 - And an awards ceremony!

Pen Test HackFest & Cyber Ranges Summit

Free Summit: June 4-5 | Training: June 8-13 | **NETWARS** Jupiter
