Our courses support the certification requirements of the DoD 8570.01-M-identified categories and specialties within the information assurance workforce. We provide 100% coverage of the exam objectives for the current versions of:

- ▶ CCNA CyberOps (Exam CBROPS 200-201)*
- ▶ CCNP Security (Exams 350-701, 300-730, 300-735)
- ▶ CompTIA Cloud+ (Exam CVO-002)*
- ▶ CompTIA A+ (Exams 220-1101 and 220-1102)*
- ▶ CSSLP (Effective September 2020)
- ▶ CISM (2017 Job Practice Areas)*
- ▶ CISSP (Effective May 2021)*
- ▶ CISA (2019 Job Practice Areas)*
- ▶ CCSP (Effective August 2019)*
- ▶ SSCP (Effective November 2018)*
- ▶ CompTIA CySA+ (Exam CSO-002)*
- ▶ CompTIA Network+ (Exam N10-007)*
- ▶ CompTIA PenTest+ (Exam PTO-001)*
- ▶ CompTIA Security+ (Exam SYO-601)*

We now offer certification practice exams from Transcender for all of these exams.

Our roadmap includes expanded coverage that integrates two additional exams: CSSLP and CISM.
