# VARONIS

Data Security Platform

The most powerful way to find, monitor, & protect sensitive data on prem and in the cloud

Monitor critical data and infrastructure

Combine multiple data streams to discover security risks

Solve board-level security problems at scale

USERS & GROUPS

Data protection

Threat detection & response

Privacy & compliance

Auto-heal data exposure, detect advanced threats, and simplify compliance.

"We completely eradicated our global access problem (over 40,000 sensitive folders open to everyone) in 17 days without breaking anything. I couldn't believe it."

CISO
Major Online Retailer

"Detection, prevention, and investigation are all interrelated. No other solution does all three as well as Varonis."
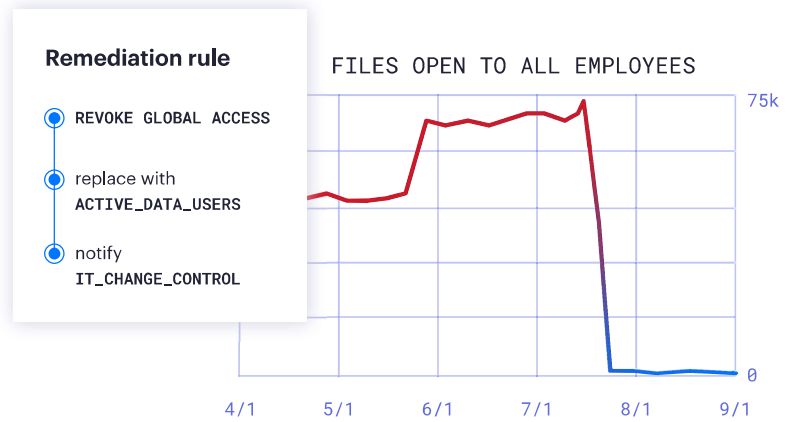

Security Engineer
Major US Energy Provider

"Varonis helps our team identify when users gain access to files to which they shouldn't have access. Before Varonis, no one knew which users had permission to which data."
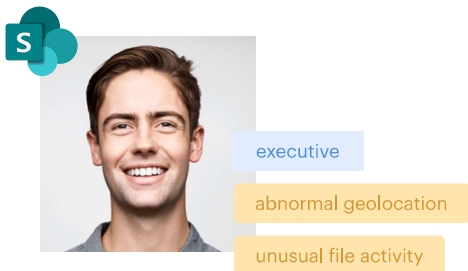

Technical Engineer
Rabobank

Data protection

- Prioritize and fix permissions exposures
- Track all data access activity
- Automate authorization, migration, and deletion
- Visualize risk across hybrid environments

Remediation rule

- REVOKE GLOBAL ACCESS
- replace with ACTIVE_DATA_USERS
- notify IT_CHANGE_CONTROL

FILES OPEN TO ALL EMPLOYEES

75k

0

4/1   5/1   6/1   7/1   8/1   9/1

Insider threat indication: Anomalous number of stale files accessed

executive

abnormal geolocation

unusual file activity

Threat detection & response

- Analyze data activity, authentication events, and perimeter telemetry together
- Build baseline behavioral profiles for users and devices
- Accelerate investigations with enriched logs
- Decrease time to detect & respond

Privacy & compliance

- Find and classify data with hundreds of built-in rules
- Prioritize based on sensitivity, exposure, and activity
- Label or quarantine sensitive data
- Fulfill Data Subject Access Requests (DSARs) for unstructured data

Files with open access containing GDPR data

1,187 files

Stale folders with GDPR data

49%
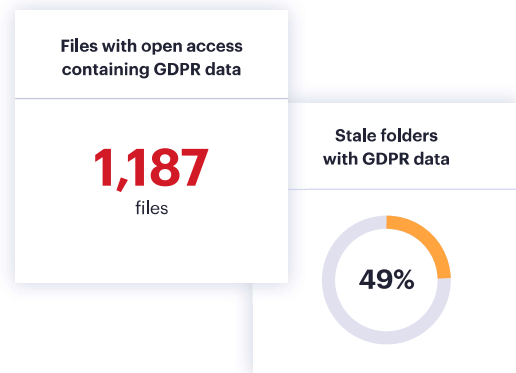

Try Varonis for free.

All Varonis products are free to try and come with an engineer-led risk assessment. The easiest way to get started is with a short 1:1 demo and discovery conversation.
