PlexTrac®

Save Time. Improve Efficiency. Be More Strategic.
Deliver Results.

" PlexTrac saves our team of 5 about 250 hours a year of work. You can do the math on pen testers at least costing $500 an hour, and so **PlexTrac has a 5x ROI in year 1**."

— verified PlexTrac customer

" It's probably a **top 3 most important tool our red team uses**. Only thing more important than PlexTrac is the vulnerability scanners. Our team is in PlexTrac multiple times a week if not a day."

— verified PlexTrac customer

" **We see PlexTrac as a part of our strategy to move quicker and be proactive**. Now we have a real time view of what we need to focus on and I have an easy way of showing senior leadership."

— verified PlexTrac customer

" We track time really closely and did a number of head-to-heads across teams using PlexTrac and those not using it. We saw a **30% increase in efficiency**. It's no joke to have your teams get a third of their time back."

— verified PlexTrac customer

" PlexTrac enables the team to produce **higher quality findings** to our stakeholders **faster.**"

— verified PlexTrac customer

" **PlexTrac saves our team so much time** by automating the manual process of gathering data and building reports from scratch. It's a **fantastic platform** for tracking events and capturing artifacts. It is a **smart system** for managing all our cybersecurity operations and there's still a lot of potential that we have yet to tap into."

— Head of Security Intelligence, Enterprise Cyber Security, Fortune 100 insurance company

" I don't understand why **every penetration tester in the world** is not already using PlexTrac."

— Paul Asadoorian, CIO, CyberRisk Alliance Founder / CTO, Security Weekly
